Emiel van Egdome

Award winning recordingartist, guitarist and composer
Emiel van Egdome will be giving a concertappearance in _____.

Internationally acclaimed van Egdome, after finishing his conservatory education and studying at the famous Berklee College of Music was a longtime resident of Los Angeles where he recorded 5 soloalbums with participation of a whole list of famous musicians.

He now lives in New York and Maastricht where, being an original in his playing, he writes and arranges all of his original music and works worldwide for numerous other projects as guitarist, composer, arranger and producer.

A native of the Netherlands, he now spends his time travelling back and forth between the 2 countries, and remains the first dutch jazzmusician with an US recordingdeal and continuing succes.

He is now working on his 6th solorelease named VI while also work from his newly acquired recording studio "CULEA™ Productions".
